- 1) In the first paragraph, we learn that horses just like cats and dogs, need people to be respectful of their space. What are four important rules to remember when you meet a horse?

Never approach a horse from behind.
Never pet a horse without permission.
Understand horse body language and behavior.
Your voice and body language are very important.

- 2) We should always be watching an animal's body language. Which body parts on a horse help them communicate what they are feeling?

Horses use their ears and tails to communicate.

- 3) Why are wearing sneakers or sandals not a good idea when you are meeting a horse?

Soft toed or open toed shoes will not protect your feet from a hoof stepping on you.
